

## **Proposition Learn Community Information Meeting**

The Francis Howell School District will hold a Proposition Learn Community Information Meeting on Tuesday, March 6 at 6:30 p.m. in the Board Room at the Administration Building, 4545 Central School Rd. St. Charles, MO 63304.

At the meeting, FHSD staff will provide information about Proposition Learn and answer questions from District residents. In December, the FHSD Board of Education voted unanimously to place the 48-cent operating levy increase on the April 3, 2018 ballot. If approved, the adjusted operating levy of the District is estimated to be \$4.66 per \$100 of assessed valuation, and the owner of a house valued at \$200,000 would pay approximately \$15 more per month in property taxes. A simple majority is required to approve the increase in the operating levy. More information about Proposition Learn can also be found on the [District website](#).
