

## Tax Rates by District

Francis Howell has the next to lowest tax rate of our comparison districts. St. Charles, Wentzville and Ft. Zumwalt have all recently passed operating levy increases. The tax rates in the St. Louis County districts include the amount levied by the Special School District of St. Louis County (represented by the darker blue shaded portion of the bar). While St. Charles school districts provide their own special education services, funded by their operating levies, districts in St. Louis County have those services provided by the Special School District, which assesses its own levy in addition to the levy assessed by the local school district.

The rates below reflect both the operating levy and the debt service levy. For FHSD, the operating levy is \$4.1814 and the debt service levy is \$0.6713, for a total levy of \$4.8527.
