A Word from the Summer School Director

Dear Parent(s)/Guardian(s) and Students:

Welcome to Francis Howell’s High School Summer Academy! The Francis Howell School District is continuing our summer programs for our high school students and hope that these programs are of benefit to the students of the district.

Our summer program provides an opportunity for students to enhance their academic achievement and enrich their learning during our summer course offerings. Students will continue to have the opportunity to retake courses needed to fulfill graduation requirements through our credit recovery offerings. Both of these programs will be offered at Francis Howell High School.

The Francis Howell Summer Academy is designed to be an innovative program that provides a variety of choices and opportunities for all students. We look forward to working with you this summer.

Sincerely,

Dr. Lucas Lammers
Director of Secondary Education

High School Summer Academy

General Information

Francis Howell Summer Academy Enrollment for high school will begin **January 22nd**.

**REGISTRATION**

- FHSD students may register for courses at their respective high schools.
- Non-FHSD students may register at any Francis Howell High School location.
- Students may not register or change classes once the first day of the session has begun.
- To complete the Enrollment process, all students must sign and return a copy of the appropriate Enrollment form, the Summer Academy Rules, the Health Form, and if needed, the Transportation Request Form prior to the registration deadline.
- Students should review the Summer Academy Regulations.

**RULES & REGULATIONS**

Student behavior in class and on school grounds shall reflect the educational tasks being pursued. The Francis Howell School District Student Code of Conduct will be enforced during the Summer Academy. Students shall not miss more than three (3) hours of class time during a session. A complete list of regulations and rules appears on pages 4 – 5.

**CLASS CANCELLATIONS & MODIFICATIONS**

All Summer Academy courses are subject to modifications depending on enrollment, staffing availability and facility capability. Courses not meeting minimum enrollments may be cancelled.

## Credit Recovery – FHH

- **Session 1:** June 3 – June 14, 8:00 a.m. – 2:30 p.m. (Registration deadline May 1st)
- **Session 2:** June 17 – June 28, 8:00 a.m. – 2:30 p.m. (Registration deadline June 3rd)

## Credit Advancement – FHH

- **AM Session:** June 3 – June 28, 8:00 a.m. – 11:00 a.m. (Registration deadline May 1st)
- **PM Session:** June 3 – June 28, 11:30 a.m. – 2:30 p.m. (Registration deadline May 1st)

### Credit Recovery Course Offerings:

Students may only enroll in these courses if they have failed during the regular school term and are attempting to recover the necessary credit.

### Credit Advancement Course Offerings:

Students may elect to enroll for the courses listed above with the provisions listed below. Enrollment numbers and staffing availability may require course session and section offerings to vary.

- *Eligible students must have successfully completed Personal Lifetime Fitness & Health.
- **Eligible students must be entering their junior or senior year.
- ***Eligible students are those entering their freshman, sophomore, junior or senior year.

**NOTE:** Students are not able to enroll for both Credit Recovery and Credit Advancement courses.

**Note:** Personal Finance & Health advancement will be an Online Course. Students must attend an orientation meeting the first day of classes June 3rd. Final Exam: Must be taken and completed at FHH campus. All students in Health must complete CPR training in order to receive credit. Seating is limited. Students are enrolled on a first come first serve basis. If enrollment exceeds available seating, those students will be placed on a wait-list.
Since the 1980-81 school year, the Francis Howell School District has provided remedial summer school services for students in grades 9-12 who failed one or more courses during the school year, or failed to receive credit for a course due to withdrawal.

**Eligibility**
Students residing in the Francis Howell School District may enroll with the approval of their principal or counselor. Nonresident students may apply to attend summer school on a space-available basis with the approval of their principal or counselor.

**Nonresident Students**
District residents are given priority for enrollment in summer school courses and receive summer services at no charge. Effective in 1994, nonresident students were allowed to apply for participation in summer school on a space-available, tuition free basis under the provisions of Reorganized Statutes of the State of Missouri 167.277. The district is compensated for nonresident participation by claiming attendance hours generated by these students for state aid purposes as though they were resident students.

**Registration**
- **Registration begins January 14th.** The registration deadline for Credit Advancement is May 1st. The registration deadline for Credit Recovery is May 1st for Session 1 and June 3rd for Session 2. Applications received after those dates cannot be assured of course placement or transportation.

**Enrollment Minimums/Maximums**
A minimum student enrollment of ten (10) students is required for a specific summer school course to be considered. A maximum student enrollment of thirty-two (32) will be applied to all summer school courses offered. Advancement course locations, sessions and sections may vary depending on student enrollment, staff availability and facility capability.

**Credit**
In order to assure proper credit, students must enroll for the semester corresponding with the semester failed (full year courses only).

**Final Examination(s) and End-Of-Course Assessments**
Final examinations are mandatory for all courses and students must be in attendance for the full class period on the days of final examinations. Common assessments given during the regular school year will also be given during summer school. Students repeating a course that corresponds to a Missouri End-Of-Course (EOC) assessment may, at the discretion of the district, be required to take the state EOC exam for that course.

**Attendance/Credit**
Due to the brief number of school days/hours in each summer school session/semester, students cannot miss more than three (3) hours of class session. Students who miss more than that limit may not be awarded credit for that session’s course. Students who arrive tardy to class more than three (3) times in a session will be subject to dismissal from that session. Arrival at summer school more than 15 minutes late will constitute one hour (1) of absence.

**Discipline**
All policies of the Francis Howell School District will remain in effect during summer school. The Student Code of Conduct is in effect during summer school. Students who demonstrate that they will not abide by school/district rules will be dismissed from summer school. Possession of tobacco (smoking/chewing) and/or materials including lighters and/or matches will result in dismissal from the current summer session. A student who commits any suspendable offense will be dismissed from the current summer session and/or the summer academy. Serious disciplinary breaches (violence, drugs, weapons, etc.) can result in long-term suspension for the 2019-2020 academic year. All requirements of the Safe Schools Act related to discipline will be enforced.

**Transportation**
Transportation will be offered to district residents. Please complete the request for transportation form and turn it in prior to the registration deadline. Transportation can only be provided at the beginning of the school day and at the end of the day. No bus service will be offered at the mid-day break in the schedule. High school students who wish to drive to summer school must obtain permission and must park in designated areas.

NO PARKING IN VISITOR, STAFF (MARKED WITH AN S) OR ADMINISTRATOR SPOTS. Transportation pick-up/drop-off information will be provided at Open House on May 22nd at FHH. It will also be available on the district’s website after May 28th. If requesting transportation after the registration deadline it may take two weeks for your request to be processed. Contact Ann Clayton @ 636-851-4129 for all transportation questions/needs.

**Lunch**
School cafeterias will be open during summer school at the secondary level. Lunch will be available for purchase. Student lunch accounts will remain active. Those students on free/reduced lunch will continue to receive those services. STUDENTS ARE TO REMAIN ON CAMPUS DURING THE SCHOOL DAY, INCLUDING LUNCH.
Library
The library may be open for student use during summer school. This will depend on enrollment and staff availability.

Rules

1. Students are only to be in the classroom area that is used for Summer School. At no time are students to be in other areas of the building without teacher supervision. The Summer School area will be clearly marked and communicated to students in advance.

2. Electronic devices may be used by students in the hallway between classes and during lunches. The classroom teacher will have the autonomy to establish reasonable expectations of their students regarding use of electronic devices in their classrooms. Students must adhere to the Acceptable Use Policy (AUP) regarding all technology on campus, be it an FHSD device or their own, including any electronic device in their possession. Violation of the AUP will result in consequences according to the Code of Conduct.

3. Students may enter the building no more than 15 minutes prior to the beginning of the school day and should not be tardy to class. Once dismissed at the end of the school day, they must leave the building and school grounds immediately. Students are not to loiter in the halls or parking lot. Rides MUST arrive for student pick-up within 15 minutes of the end of school. Students are not to return to the building after they have left for the day.

4. Classroom discipline will be strictly enforced. An office referral for classroom disruption or inappropriate classroom behavior could result in dismissal from the summer session and/or academy.

5. Attendance is mandatory. Due to the short duration of summer school, High School students may not miss more than three (3) hours per class for each session. Anyone missing more than the specified hours could be dropped from the summer session. High School students who are tardy to class more than three (3) times in a session will be subject to dismissal from that session. Fifteen minutes out of the classroom will constitute one (1) hour of absence.

6. There are no excused absences or tardies.

7. Any possession or use of smoking materials/tobacco on the school property will result in immediate dismissal from the current session.

8. Any use of or possession of drugs, alcohol, or fireworks anywhere on the premises or the property of the school will result in dismissal from the summer session and/or academy, and Francis Howell School District students will be subject to 180-day suspension.

9. Friends/relatives who drop off or pick up students are not to leave their cars, and under no circumstances are they to enter the building unless they have business with the summer school office.

10. Skateboards, frisbees, water guns, and other items of this nature are not allowed on campus. These items will be confiscated and parents will need to reclaim them from the principal. The student will be dismissed from the summer session and/or academy for two (2) incidents of this type.

11. Students must adhere to the Francis Howell dress code. Student dress must not be inappropriate to school activities and/or disruptive to the educational process. In addition, hats, bandanas or other head apparel should not be worn on campus.

12. Policies of the Francis Howell School District will be in effect during summer school. Offenses which are deemed suspendable under this policy will result in dismissal from the summer session and/or academy. These offenses include, but are not limited to, fighting, vandalism, verbal abuse to a staff member, theft, threatening another student, negligent behavior, or possession of fireworks, and/or weapons. Such offenses may also result in a recommendation for suspension at the beginning of the next school term.
