

Campus Student Portal Initial Login Instructions

Students who have never logged into their Campus Student Portal account will use the following default credentials:

- **Username = Student ID number**
- **Password = <first initial><last initial><6 digit date of birth mmddyy>**

You will change your password when prompted and enter a security email address (FHSD email recommended)

<https://francishowellmo.infinitecampus.org/campus/portal/students/francis.jsp>

Example Student:

Mary Smith

Student ID #: 123456

Birthday: August 4, 2003

Username = 123456

Initial Password = ms080403

Once you log-in to your Campus Student Portal through the web, try the Student App!

Note:

- If the default credentials don't work, you changed your password when you first logged into your portal
- If you have forgotten your password select "**Forgot password?**" to have a password reset link emailed to you (check your spam/clutter folder)
- Parents create their OWN username and password when they create their Campus Parent account with their personal activation key
- If you are having difficulty, you will find additional information on the School and District webpages under Campus Portal
