

SNOW DAY SCHEDULE: VACATION STATION AND FULL-DAY PRESCHOOL

From time to time, the Francis Howell School District may need to cancel school due to inclement weather. If the entire District is closed (including the Administration Building), preschool and Vacation Station will also be closed. If schools are closed, but the District Administration Building remains open, Vacation Station and full day preschool will operate at consolidated sites from **7:00 a.m. to 6:00 p.m.**

For 2020-2021, the consolidated sites for snow days are **Becky-David** and **Central Elementary**. Please use the table below to identify your child's assigned snow day location. This information was also shared with families in early November via a Snow Day Packet.
